Initial Login Process and Creating Your Account

You will receive an automated email from The Community Foundation Martin - St. Lucie sent as “no-reply@fcsuite.com” with a custom invitation link to create your account in the Fund Advisor Portal.

Your username will be the main email address that we have on file for your Fund.

Once you click on the invitation link in the email, you will be prompted to create a password of your choice. We recommend using random words, capital letters, numbers and/or special characters to keep your account secure. Please write down your password and put it somewhere you will remember.

Delete this initial automated email after you have successfully completed this process. The link contained in the email can only to be used once to establish your initial password.

**IMPORTANT:** If you access the Fund Advisor Portal from a shared computer or device, we strongly encourage you to use the Logout option after completing each session. This ensures no one other than you has access to the system.
Fund Advisor Portal Features

Once you are logged in, your Fund’s homepage will appear. If you manage multiple Funds, you will see a “Choose Fund” menu. Choose the Fund you wish to review from the drop-down menu. If you are listed as an advisor for only one account, you will not have the "Choose Fund" menu but instead will see only your account information.

The tabs at the top of the page display different features available to you as a Fund Advisor:

**Home** - Your homepage is a quick snapshot of your Fund’s most recent activity. This tab shows your Fund’s current balance, all Fund Advisors, recent contributions, and recent grant history. Note that each Fund Advisor listed will have similar access to the Fund Advisor Portal.

**Choose Fund** - This tab is visible if there are other Funds to select and view.

**Contributions** - Unless the donor has requested to stay anonymous, contributions show all contributions/donations made into the Fund. You will note that an “Export” option appears on the far-right side of the menu bar. This feature will export information about each donation into a Microsoft Excel spreadsheet. Clicking on a contributor’s name will bring up their history of contributions including date of gift, type, and amount.
**Grant Request** - Allows you to make a grant request from your Fund and see recent grant statuses. Note: Online grant requests are only available to Donor Advised Funds at this time.

**Fund Statements** - Shows your Fund Statements. Next to the Fund Statement you wish to view, click “Print” and the system will generate a PDF in a new window that you may view, save, or print.

**Documents** - Shows any viewable files regarding your Fund. At this time, Fund agreements and other confidential documents are being uploaded to your Fund Advisor Portal.

**Tax Receipts** - Shows your tax receipts. Next to the tax receipt you wish to view, click the ID number and the system will generate a PDF that you may view, save, or print.

**Logout** - Remember to use the “Logout” tab to close your Donor Portal. You will be automatically logged out after a period of inactivity even if you do not logout.

**Export** - This tab only shows when you are in the Contributions and Grants tabs. It produces an excel spreadsheet with the contribution or grant information.
Submitting a Grant Request

To recommend a grant from your Fund, click the **Grant Request** tab.

**Recommending a grant is a three-step process:**

1. **Choose a Grantee in one of four ways:**
   
   **A.** Choose from Previous Grantee - Choose the organization you want to support from this drop-down list of organizations you have previously supported.

   **B.** Other Foundation Funds - Choose a fund you want to support from this drop-down list of Funds at The Community Foundation Martin - St. Lucie.

   **C.** Search for Other Grantees - Search for the organization you want to support in Cadid/GuideStar, the world's largest database of nonprofit organizations. The more keywords used, the better the search results will be. Once you find the organization you want to support, click **Create Request**.

   **D.** Enter Grantee Information Manually - If you can’t find the organization you wish to support, you will need to enter the organization’s information manually: organization name, address and phone number. The fields marked with a red asterisk are required; providing all the requested information allows us to ensure your grant recommendation is processed as accurately and efficiently as possible. Once you enter this information, click **Submit**.
Once the organization has been selected, you will be redirected to a new page to provide pertinent grant details including the grant description and amount.

2. Grant Details:
In the description field, please provide the grant purpose and any special handling. Keep in mind that if you don’t designate a specific grant purpose, your grant will be designated for unrestricted use.

You can also choose to remain anonymous by selecting the Anonymous checkbox.

Once you are finished entering this information, click **Review**.
3. Review and Submit Request
Review your grant request details and click **Submit Request**. Once you submit the request, you will receive an automated confirmation email and our Team will begin processing the grant request.
